

# Walkers Pet HoTail<sup>®</sup> Pet Care Center

Walkers Pet HoTail<sup>®</sup> Pet Care Center is excited and pleased that once again our customers have voted us the **GOLD** award.

We are your one-stop shop for all of your pet care needs, conveniently located on Route 22 East in Murrysville. We offer a full range of services including overnight boarding, doggie daycare, grooming, pet supplies, training, on-site veterinarian services, and free monthly puppy parties.

*"We are all Walkers here," says owner Sam Rubin, "Every dog gets many one-on-one walks with our staff. We believe these walks are essential for maintaining your pet's schedule, reinforcing their training and providing needed socialization and love from caring humans"*

In 2007 Mr. Rubin realized that *"a clean facility was imperative to the health and well-being of all pets and staff."* This thought inspired many features in the design of the facility. A unique climate-control system brings in fresh clean air and exhausts out used air in order to eliminate odors and germs (unlike airplanes). *"We invite you to come tour our facility any time we are open to experience the clean odor-free environment," says Mr. Rubin.*

**Overnight Boarding:** At Walkers, the daily routine includes one-on-one walks and small group playtimes for our overnight lodgers. No outdated "runs" in our facility — our pet "suites" are modern, easy to clean and state of the art.

We have kitty covered too! Our cattery provides a soothing environment for your feline friend. Kitty can enjoy our play area, "cat TV"

(a.k.a. the fish tank) and personalized attention from dedicated team members.

**Grooming:** Full-service spa treatments include ear cleanings, nail trims and custom cuts. A la carte services feature flea dips, teeth brushing, de-shedding and de-skunking treatments...we can even paint your pets nails!

**Pet Supplies:** Treat your four-legged furry friend to a variety of premium foods, treats, toys, pet supplies and medications at prices that are surprisingly low.

**On-site Veterinarian:** Our Vets can give your pets personalized attention without the hassle of long waits in a waiting room. Call us if your pet needs a checkup vaccinations, or medications. We now also perform spay/neuters and dental cleanings/extractions.

**Doggie Daycare:** Your dog will enjoy our newly remodeled indoor/outdoor enriched play-all-day daycare, featuring non-slip epoxy floors and vinyl safety fences that separate dogs by size. If you are concerned your pup will get worn out from too much activity, we also offer interval daycare, featuring small group and individual playtimes with suites for napping.

**Puppy Parties and Training Classes:** We offer FREE Puppy Parties to help socialize puppies under 2 years old as well as training classes to help them become well-behaved dogs. Check out our website or call us for details.
