## Collar Waiver

I understand that Walkers Pet HoTail has a policy of removing collars (including, but not limited to, flea collars) and harnesses from pets in their care in order to avoid any injuries. I understand and accept that Walkers cannot guarantee the health of any animal and I demonstrate my good faith in Walkers and its staff by leaving my pet(s) in their care.

**I hereby state that I do NOT want my pets' collar/harness removed for its boarding/daycare stay at Walkers, and assume all liability in the event of injury to my pet(s), another pet in the care of Walkers or damage/loss to said collar, harness, tags, etc.**

### Check One:

- Leave the collar / harness on my pet for its entire stay
- Use my pets collar / harness for walks and remove it when my pet is in its suite.  
*(Additional charges may apply)*

This waiver remains in effect for all future visits unless you notify Walkers in writing of any changes.
